

Dear Dr. Blumewicz, once again  
how do I even begin to  
Thank you? I feel blessed  
to have you, Dr. Angotti and my  
family physician on my  
side providing me with  
the "best medical care." Each +  
every one of you treat me  
with great respect + dignity.  
In the last 6+ years I have  
an admiration and deep respect  
that continues to grow even  
stronger. Before each + every  
surgery I look to you for  
reassurance, and I always  
feel strength and hope when I  
look at you before going off to  
sleep. I truly feel blessed that  
The Lord has been able to work  
through you + Dr. Angotti. You  
are an amazing surgeon, and  
I am so thankful. I know that →

no one can tell me that I won't  
get cancer or if it will spread  
in the future. But, I do know  
that you + Dr. Angotti always  
give 100% of the best ~~care~~  
possible care + treatment! I am  
ready to move forward with  
my treatments. I will talk to you  
next week about  what Dr. Angotti  
learned at the cancer conference +  
who I will be seeing at Penn  
locally. She recommends Dr. Joe Pats.  
I am so grateful for your care. Sincerely,

Hallmark
