

Dear Dr. Buineviciy (& Staff)

I can not thank you enough for the gift that you have given me. My surgery has watered the part of me that feels good about myself. I feel wonderful already and it's only been a week. Every person I encountered at your office & the surgical center was so kind to me you are all a great group of people. Thank you forever Dr. You are truly a great Dr. & Person. Happy Holiday.

Love
